AN INDOOR MINI GOLF TOURNAMENT

Join Us for Frosty Golf 2026 and Help Us Keep Making a Difference!

Dear Friends and Supporters,

We invite you to partner with us as a sponsor for Frosty Golf 2026—the Rotary Club of Catonsville's largest fundraiser of the year! Your sponsorship helps fund the many community projects and service initiatives that make Catonsville a stronger, more connected place to live.

The Rotary Club of Catonsville is part of a global network of volunteers dedicated to "Service Above Self." Our members give their time, energy, and resources to support local needs, build community partnerships, and create opportunities for service and fellowship.

Thanks to generous sponsors and donors like you, we've made a meaningful impact this past year through projects such as:

- Benjamin Banneker Park – monthly cleanups and restoration projects
- Catonsville Emergency Assistance – Thanksgiving blessing baskets and financial support
- Community bike hitches and fix-it stations – installed throughout Catonsville, including at CCBC and along the #8 Streetcar Path
- The Children's Home – direct financial donation
- Walking path connector projects – improving safe access to the Catonsville Senior Center and Community Park
- Westside Men's Shelter – monthly pizza nights and volunteer service

We also hosted two free community events: a performance by a teenage Armenian folk dance group traveling across the U.S., and a public screening of Join or Die in partnership with the Rotaract Club of UMBC—both celebrating culture, connection, and civic engagement.

Now, we invite you to join us for an evening of fun and fellowship that supports this work:

Frosty Golf 2026, Saturday, January 24, 2026 | 6:00–9:00 PM, Charlestown Senior Living Community

Enjoy an 18-hole indoor mini-golf course, hors d'oeuvres and desserts, a full bar, raffles, and a silent auction—all for a great cause!

Your sponsorship or auction donation will ensure we can continue serving the Catonsville community. Sponsorship opportunities are available at multiple levels (see enclosed).

With gratitude,

Rachael Schaffer
