FROSTY GOLF

AN INDOOR MINI GOLF TOURNAMENT

Benefiting the Charlestown Senior Living Community's Benevolent Care Fund, Catonsville, and our surrounding communities, at home and worldwide.

When & Where:

Saturday, February 24th, 2024

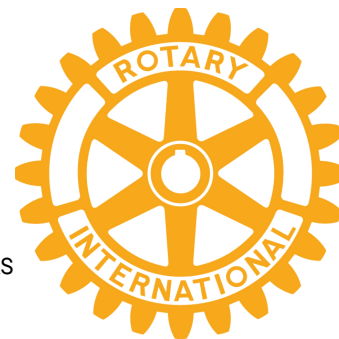

6pm - 9pm

Charlestown Retirement
Community

Dear Friends & Supporters of the Rotary Club of Catonsville,

On February 24th, 2024, we will be hosting our annual Frosty Golf Indoor Mini-Golf Fundraiser. This event will take place at the Charlestown Senior Living Community from 6:00 to 9:00 PM.

Your ticket/sponsorship to this event includes a team of four people, two drinks per person on us, heavy hors d'œuvres, and desserts. The bar will remain open throughout the evening for purchase of additional drinks should you want more.

We will also be featuring our ever-popular raffles and silent auction items from local and regional businesses, and perhaps a live auction item or two.

This event directly supports the Charlestown Senior Living Community's Benevolent Care Fund, which assists with health care and living expenses for those whose personal financial resources have been depleted.

Additional funds raised will help benefit Rotary's many local and regional charitable projects, which, this year, have so far included:

- coordinating the funding and planning needed to create paved trails connecting the surrounding community to the Catonsville Community Park.
- building a community garden that will help provide fresh food and outdoor opportunities to our neighbors in the Gwynn's Falls neighborhood.
- providing books and book shelves to the Children's Home of Catonsville.
- assisting the Baltimore County Arts Guild with funds to help pay for unplanned roof repairs.
- assisting Rolling Brook Yoga Studio with their efforts to purchase a life-saving AED device.
- participating in the National Ovarian Cancer Coalition's 2023 Central Maryland Walk to raise funds to end ovarian cancer.
- helping collect food for Catonsville Emergency Assistance.

None of this would be possible without your support. Please join us this year as a sponsor of this event and help fund our work! Sponsorship details are enclosed.

As a local part of an international service club, Catonsville Rotary responds to many charitable and service needs as they come up. You can learn more about our organization on our website, www.catonsvillerotary.org. Be sure to follow us on Facebook, too!

Your support helps to sustain our mission to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through fellowship of community leaders. Thank you for your consideration and support!

Sincerely,

Robert Krasnansky
President, Rotary Club of Catonsville

James Frank
Secretary and Frosty Golf Committee Chair
